Week 5 Activity

Materials

- Macintosh HD Image.E01
- FTK Imager (on Windows 10 VM)
- Autopsy

Activity

Take contemporaneous notes.

Analysing the images, answer the following questions, providing evidence for each:
1. Web history?
2. When was the computer last used?
3. Does this person have any contacts?
4. What programs are installed?
5. Did the owner send/receive any emails?
6. What accounts does the owner own?
7. Are there any passwords in the system keychain?
8. What version is the operating system?

Assessment

The assessment for this activity will be as follows (out of 2.5%):
- up to 0.5% = for answering 2 questions
- up to 1% = for answering 4 questions
- up to 1.5% = for answering 6 questions
- up to 2% = for answering all 8 questions
- another 0.5% for evidence for all questions answered
